**Part IV** Your Activities (continued)

2 Enter the 3-character NTEE Code that best describes your activities.

Or check here if you want the IRS to select the NTEE Code that best describes your activities.

3 Do any of your programs limit the provision of goods, services, or funds to a specific individual or group of specific individuals? For example, answer "Yes" if goods, services, or funds are provided only for a particular individual, your members, individuals who work for a particular employer, or graduates of a particular school. If "Yes," explain the limitation and how recipients are selected for each program.  Yes  No

Our programs are available to all students in the public. Though club meetings are limited to STARS members, any student can join through a small annual fee and an official registration (ref. Bylaws Article III). The only other program that is tailored to certain groups are our STARS Travel Grants for: (1) STARS members only (Travel Grant V1) and (2) any student (Travel Grant V2). Please view Schedule H Question 4 for recipient criteria. All other programs are available to any student.

4 Do any individuals who receive goods, services, or funds through your programs have a family or business relationship with any officer, director, trustee, or with any of your highest compensated employees or highest compensated independent contractors? If "Yes," explain how these related individuals are eligible for goods, services, or funds.  Yes  No

There are no STARS programs that restrict help, support, or opportunities to certain people having family or business relationships with a director. If a student who joined STARS had such a relationship, that student can only enjoy equal STARS programs and club opportunities, which are available to all STARS members, without having significant special consideration. Any conflicts of interest will be resolved through the exclusion of the interested director in any decisions on the matter.

5 Do you or will you support or oppose candidates in political campaigns in any way? If "Yes," explain.  Yes  No

6 Do you or will you attempt to influence legislation? If "Yes," explain how you attempt to influence legislation.  Yes  No

We opt for the substantiality test. We have not yet spent any volunteer time or any part of our budget to influence legislation. Our legislative activities will always be insubstantial and less than 2 percent of our volunteer time and expenses, if we decide to do so. Currently we have no plans or program in place to undertake such activities.

**Part IV** Your Activities (continued)

- 6a** Did you or will you make an election to have your legislative activities measured by expenditures by filing Form 5768?  Yes  No  
If "No," describe whether your attempts to influence legislation are a substantial part of your activities. Include the time and money spent on your attempts to influence legislation as compared to your total activities.

No, we will not have our legislative activities measured by expenditures by filing Form 5768. Please view our answer to question 6 on the topic of our influencing legislation being an insubstantial part of our activities (less than 2 percent of our time and money) compared to our total activities.

- 7** Do you or will you publish, own, or have rights in music, literature, tapes, artworks, choreography, scientific discoveries, or other intellectual property? If "Yes," describe who owns or will own any copyrights, patents, or trademarks, whether fees are or will be charged, how the fees are determined, and how any items are or will be produced, distributed, and marketed.  Yes  No

We currently do not have any intellectual property. If any significant result comes from research that STARS performs, it will be published in a timely manner, and the results will not be withheld from the public for the purposes of private gain. If the research is significant and can be patented, STARS will file a patent on the research (the application process will be a useful learning experience for STARS students), which will be licensed out at no cost to any public-serving, charitable entity with tax exempt status that would like to use the patent for charitable uses to build upon the research and help families and the society for purposes that are aligned with the STARS mission and vision. Examples of such charitable research entities include: (1) St. Jude Children's Research Hospital, (2) Shriners Hospital's for Children, (3) American Cancer Society, and (4) Doctors without Borders. The number of papers published and patents filed will depend on how many STARS can produce.

- 8** Do you or will you provide educational information to the general public on budgeting, personal finance, financial literacy, saving and spending practices, the sound use of consumer credit, and/or assist individuals and families with financial problems such as credit card debt and foreclosure by providing them with counseling? If "Yes," explain.  Yes  No

- 9** Do you or will you make grants, loans, or other distributions to organizations? If "Yes," describe the type and purpose of the grants, loans, or distributions, how you select your recipients including submission requirements (such as grant proposals or application forms), and the criteria you use or will use to select recipients. Also describe how you ensure the grants, loans, and other distributions are or will be used for their intended purposes (including whether you require periodic or final reports on the use of funds and any procedures you have if you identify that funds are not being used for their intended purposes). Finally, describe the records you keep with respect to grants, loans, or other distributions you make and identify any recipient organizations and any relationships between you and the recipients. If "No," continue to Line 10.  Yes  No

We do not provide loans. Distributions to other organizations are possible but do not represent a significant amount of our programs. Any one-time or multi-program distribution to other organizations must be for furthering STARS charitable purposes. We will request applications to determine if the program matches our criteria, such as: (1) alignment with STARS mission and (2) educational impact on students. We require a line-item budget for the program. Upon board approval, any STARS support provided will be locked to those items only. At the end of the program, the organization must report on the program's value for the public, including feedback and photos, and provide receipts to demonstrate correct funds usage. According to our bylaws, any distribution must be approved by the board, be clearly documented, and be without conflict of interest. No distributions have been made since incorporation. Please view attachment section, Contributing to organizations, for more information.

**Part IV** Your Activities (continued)

- 9a** Do you or will you make grants, loans, or other distributions to organizations that are not recognized by the IRS as tax exempt under section 501(c)(3)? If "Yes," name and/or describe the non-section 501(c)(3) organizations to whom you do or will make distributions and explain how these distributions further your exempt purposes.  Yes  No

We generally do not make distributions to non-501(c)(3) organizations, but the board of directors may support such organizations that have charitable and educational purposes aligned with the STARS mission and exempt purposes. In these cases, the organizations will be vetted and our interactions will be documented. Please view our Bylaws Article XIV for more information on this process. Currently, STARS has not identified non-section 501(c)(3) organizations to make distributions to.

- 9b** Do you or will you make grants, loans, or other distributions to foreign organizations? If "Yes," name each foreign organization (if not already provided), the country and region within each country in which each foreign organization operates, any relationship you have with each foreign organization, and whether the foreign organization accepts contributions earmarked for a specific country or organization (if so, specify which countries or organizations). If "No," continue to Line 10.  Yes  No

STARS has no relationship with foreign organizations. If established, which must only be for furthering STARS charitable purposes, STARS will act with due diligence. Though complying with Voluntary Best Practice for US Based Charities is not mandatory, STARS puts to practice these guidelines to guard against terrorists. We put to practice federal guidelines and laws, such as those set by OFAC. No contribution will be made to organizations that earmark a portion of our funds to other entities.

- 9c** Do your contributors know that you have ultimate authority to use contributions made to you at your discretion for purposes consistent with your exempt purposes? If "Yes," describe how you relay this information to contributors.  Yes  No

It is very clear to our contributors how we direct funds to operate our programs. The donation page lists the programs that the donations go to and for what purposes. It also makes it clear on the donation page that any leftover funding not used during the program will be used by STARS to further its charitable, educational, and scientific tax-exempt purposes. A link to the donation page is included in this attachment for your consideration.

- 9d** Do you or will you make pre-grant inquiries about the recipient organization? If "Yes," describe these inquiries, including whether you inquire about the recipient's financial status, its tax-exempt status under the Internal Revenue Code, its ability to accomplish the purpose for which the resources are provided, and other relevant information.  Yes  No

We make pre-grant inquiries and consider the tax-exempt status and overall financial standing of the recipient. We also inquire about: The recipient's name in English, in the language of origin, and any acronym or other names used to identify the recipient. The jurisdictions in which the recipient maintains a physical presence. Any reasonably available historical information about the recipient that assures us of the recipient's identity and integrity. The available postal, email and website addresses and phone number of each place of business of the recipient. A statement of the principal purpose of the recipient, including a detailed report of the recipient's project and goals. Copies of any public filings or releases made by the recipient, including the most recent official registry documents, annual reports, and annual filings with the pertinent government, as applicable. The recipient's sources of income, such as official grants, private endowments, and commercial activities.

- 9e** Do you or will you use any additional procedures to ensure that your distributions to foreign organizations are used in furtherance of your exempt purposes? If "Yes," describe these procedures, including periodic reporting requirements, auditing grantees, site visits by your employees or compliance checks by impartial experts, etc., to verify that grant funds are being used appropriately.  Yes  No

The board of directors will conduct due diligence and maintain control of any funds contributed to any organizations, foreign or domestic, or STARS operations and will comply with all applicable laws and guidelines. We will also conduct the following to ensure that funds are used appropriately and safely: Conducting a search of publicly available information to determine if recipient is suspected of terrorism-related activities or financing. We will request periodic reports by the foreign organization(s) with detailed documentation on how the funds have been used. We will also make clear that we can audit their locations of operation at any time with impartial experts to ensure that their operations that we support are aligned with our charitable tax exempt purposes. Please view our response to Part IV Question 9g for additional actions we take to ensure proper and save use of funds. Please also view our Bylaws Article XIV for additional information.

**Part VII Foundation Classification**

Part VII is designed to classify you as an organization that is either a private foundation or a public charity. Public charity classification is a more favorable tax status than private foundation classification. If you are a private foundation, this part will further determine whether you are a private operating foundation.

**1** Select the foundation classification you are requesting from the list below.

- You are described in 509(a)(1) and 170(b)(1)(A)(vi) as an organization that receives a substantial part of its financial support in the form of contributions from publicly supported organizations, from a governmental unit, or from the general public.
- You are described in 509(a)(2) as an organization that normally receives not more than one-third of its financial support from gross investment income and receives more than one-third of its financial support from contributions, membership fees, and gross receipts from activities related to its exempt functions (subject to certain exceptions).
- You are described in 509(a)(1) and 170(b)(1)(A)(i) as a church or a convention or association of churches. Complete Schedule A.
- You are described in 509(a)(1) and 170(b)(1)(A)(ii) as a school. Complete Schedule B.
- You are described in 509(a)(1) and 170(b)(1)(A)(iii) as a hospital, a cooperative hospital service organization, or a medical research organization operated in conjunction with a hospital. Complete Schedule C.
- You are described in 509(a)(1) and 170(b)(1)(A)(iv) as an organization operated for the benefit of a college or university that is owned or operated by a governmental unit.
- You are described in 509(a)(1) and 170(b)(1)(A)(ix) as an agricultural research organization directly engaged in the continuous active conduct of agricultural research in conjunction with a college or university.
- You are described in 509(a)(3) as an organization supporting either one or more organizations described in 509(a)(1) or 509(a)(2) or a publicly supported section 501(c)(4), (5), or (6) organization. Complete Schedule D.
- You are described in 509(a)(4) as an organization organized and operated exclusively for testing for public safety.
- You are a publicly supported organization and would like the IRS to decide your correct classification.
- You are a private foundation.

- 1a** As a private foundation, section 508(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check this box to confirm that your organizing document includes these provisions or you rely on state law.

State specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document (Page/Article/Paragraph) or state that you rely on state law.

- 1b** Do you or will you provide scholarships, fellowships, educational loans, or other educational grants to individuals, including grants for travel, study, or other similar purposes?  Yes  No  
If "Yes," complete Schedule H - Section II.

- 1c** Are you a private operating foundation?  Yes  No

To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations.

**Part VII Foundation Classification** (continued)

**1d** Describe how you meet the requirements for private operating foundation status, including how you meet the income test and either the assets test, the endowment test, or the support test. If you've been in existence for less than one year, describe how you are likely to satisfy the requirements for private operating foundation status.

**2** If you have been in existence more than 5 years, you must confirm your public support status. To confirm your qualification as a public charity described in 509(a)(1) and 170(b)(1)(A)(vi) in existence for five or more tax years, you must have received one-third or more of your total support from governmental agencies, contributions from the general public, and contributions or grants from other public charities; or 10% or more of your total support from governmental agencies, contributions from the general public, and contributions or grants from other public charities and the facts and circumstances indicate you are a publicly supported organization. Calculate whether you meet this support test for your most recent five-year period.

- i. Did you receive contributions from any person, company, or organization whose gifts totaled more than the 2% amount of line 8 in Part VI-A?  Yes  No

If "Yes," identify each person, company, or organization by letter (A, B, C, etc.) and indicate the amount contributed by each. Keep a list showing the name of and amount contributed by each of these donors for your records.

A. David Wright-\$100 B. Hampton Research Corp.-\$300 C. Ryan Klein-\$100 D. John Rose-\$100 E. DECTRIS USA, Inc.-\$100 F. Hampton Research Corp.-\$809. VI-A8 is \$3599.92. 2 percent of that is \$72.00. Total public support (\$1882) with incidences less than \$72.00 was \$373. \$373 plus the \$72.00 of each incidence (6 x) above \$72.00 (\$432.00) is \$805.00. \$805.00/\$3599.92 is 22 percent. We have at least 10 percent of support from public sources and have characteristics of a publicly supported organization

- ii. Based on your calculations, did you receive at least one-third of your support from public sources or did you normally receive at least 10 percent of your support from public sources and you have other characteristics of a publicly supported organization?  Yes  No

**2a** If you have been in existence more than 5 years, you must confirm your public support status. To confirm your qualification as a public charity described in 509(a)(2) in existence for five or more tax years, you must have normally received more than one-third of your support from contributions, membership fees, and gross receipts from activities related to your exempt functions, or a combination of these sources, and not more than one-third of your support from gross investment income and net unrelated business income. Calculate whether you meet this support test for your most recent five-year period.

- i. Did you receive amounts from any disqualified persons?  Yes  No

If "Yes," identify each disqualified person by letter (A, B, C, etc.) and indicate the amount contributed by each. Keep a list showing the name of and amount contributed by each of these donors for your records.

- ii. Did you receive amounts from individuals or organizations other than disqualified persons that exceeded the greater of \$5,000 or 1% of the amount on line 10 of Part VI-A Statement of Revenues and Expenses?  Yes  No

If "Yes," identify each individual or organization by letter (A, B, C, etc.) and indicate the amount contributed by each. Keep a list showing the name of and amount contributed by each of these donors for your records.

- iii. Based on your calculations, did you normally receive more than one-third of your support from a combination of gifts, grants, contributions, membership fees, and gross receipts (from permitted sources) from activities related to your exempt functions and normally receive not more than one-third of your support from investment income and unrelated business taxable income?  Yes  No

**Part VIII Effective Date**
